Call For Papers for the Best Young Scholar Award  
(Graduate Students)**

Every year, a Best Student Paper Award is given to one of the young scholars participating in that year's IDEA Conference to encourage their further involvement. In order to be eligible for the award, we invite the candidates to apply with their papers prior to the conference. There will be an anonymous review by a jury, and those papers included in the short list will be evaluated during the conference for the monetary award. The award will be presented to the winner at the closing session on the the last day of the conference.

In order to allow more time for you to work on your papers, the **deadline** of paper submissions for the Best Young Scholar Award is **extended**. If you wish to be a candidate for this year's award please send **the full paper** of your presentation to Dr. Aylin Alkaç [alkacayl@boun.edu.tr](mailto:alkacayl@boun.edu.tr) and Dr. Ayşem Seval [aseval@iku.edu.tr](mailto:aseval@iku.edu.tr) until **04 May 2022**.

The papers should be 2200-2500 words, written in Times New Roman 12 font and double-space. They should follow MLA format and must be sent as MS Word document.
